

## LAC Canal Bank Junior 2005

Well done to the 53 junior runners under 15 years of age who took part in the first of this year's junior winter league races. Luckily the weather was much better this year. Unfortunately the stopwatch failed to record past 12 times even though it appeared to be working and recording them as you crossed the line. Never mind all your positions were recorded accurately - so you'll get the correct number of league points and place.

We had a slightly different finish this year - but the distance was near enough the same as before. Sean Munro set a record time for the under 11 boys course with an absolutely storming run. It was the first time we had the under 13 and under 15 runners running the extended course, so well done because you start uphill !!!

Always good to see runners from Mallaig and Ballahulish as well as the Fort William Schools. Hope the dark tunnel didn't scare anyone too much. The next race is the Christmas Handicap - were you find a little 'Christmas' something at the finish along with your certificate.

Any more helpers out there??? If there is it means certificates can be sorted much quicker after the race - let me know 702 576.
